# MESSAGE FROM THE PRESIDENT

**Greetings!**

**My name is Jaylen Monroe, and I am honored to serve as the 2025–2026 President of NSBE GSU. I am a fourth-year Software Engineering student with a passion for growth, impact, and leadership.**

**When I joined NSBE in 2023, it had just been revived on campus. From day one, I felt welcomed and inspired. That experience led me to serve as both Public Relations Chair and Professional Delegate, where I learned to lead, connect with companies, and support our mission through outreach and media. This organization has given me more than professional development. It's given me a family.**

**Through NSBE, I found purpose, built confidence, and gained lifelong connections that continue to shape my future.**

**Now, as President, my goal is to elevate our chapter and continue building on the foundation laid before me. This year's theme, S.C.A.L.E., challenges us to Strengthen Community, Create Opportunities, Aspire Boldly, Lead with Vision, and Elevate Everyone.**

**Your support makes our mission possible. Thank you for believing in NSBE GSU. I look forward to growing our partnership and making a lasting impact together.**
